PMP Certification Course – Winter Session 2009

Are you preparing for the PMI Test to obtain your PMP Certification? If the answer is yes, then join us for the PMP Winter Session to be held at the:

University of Phoenix

2290 Lucien Way, Suite 400

Maitland, FL 32751

(4th Floor)

This three Saturday session will cover the nine knowledge areas in the PMBOK to help prepare you to pass the test. This Winter Session has been scheduled for the following dates and time: March 7, March 14, and March 21 from 8am to 5pm. Lunch is provided. Registration is done on the web site at <http://www.pmicfc.org/>.

The cost to attend this course is:

PMI Member \$450

PMI Non Member \$600

PMI Member Student \$350

Please note: This will be the last session we offer that will cover the PMBOK Third Edition. The PMBOK Fourth Edition was made available on January 1, 2009, and beginning in July the new tests will cover the fourth edition. Therefore, we are going to initially open the winter session only to those seeking their PMP Certification. We are doing this because we have limited seating and there are many PMs who want to get their PMPs before the new tests come out. If we have room as we get close to the session date, we will then open the class for those wanting a refresher class.

If you have any questions, please contact Michael McCurdy, VP, michael.mccurdy@pmicfc.org.
